

CENTRAL MURRAY BESTWOOL BEST LAMB

Sheep EID

THE WHAT, HOW AND WHY (OR WHY NOT) OF APPLYING PRACTICALLY ON FARM

A joint initiative of BestWool BestLamb and Western Murray Land Improvement Group

Nathan Scott from Achieve Ag Solutions will provide a practical demonstration and information about:

- How the technology works
- What data to collect
- Understanding the implications of applying selection pressure
- How to collect data
- Tips on managing data

Wednesday, 27 April at 9am

Location:

'Murrayview' 913 Cobramunga Road

Cost:

Free Event
BBQ lunch provided,
